

STARLIGHT PEDIATRIC APPAREL COLLECTION

Introducing the Starlight Collection by Encompass, a new concept in pediatric patient care.

Encompass understands what families go through when a child is sick, and how important it is to be surrounded by an environment that supports a child's natural ability to cope and heal. With cheerful colors and prints drawn by seriously-ill children and their siblings, the Starlight Collection by Encompass demonstrates our ongoing commitment to provide a comforting environment for the physical and emotional needs of patients and families. In selecting Starlight Children's Foundation as its national charity partner, Encompass Group shares in Starlight's vision to improve the quality of life for children with chronic or life-threatening illness.

STARLIGHT PEDIATRIC APPAREL COLLECTION

The Starlight pediatric patient apparel line features unique, vibrant designs printed on soft, heavy-weight knit fabric. Each distinct design supports simplified sorting and size identification of the gowns & tops, which coordinate to a solid color pajama pant. While providing the soft feel of cotton, the 100% polyester knit garments provide excellent colorfastness and durability, while meeting all federal flammability requirements.

ENCOMPASS CHARITY PARTNER

For more than 25 years, Starlight Children's Foundation has been dedicated to improving the quality of life for children with chronic and life-threatening illnesses and life-altering injuries by providing entertainment, education and family activities that help them cope with the pain, fear and isolation of prolonged illness. Through their relationships with more than 1,300 hospitals, Starlight's programs have the opportunity to impact each child diagnosed with a serious illness. As a corporate partner, Encompass will share in bringing Starlight's programs into more communities through ongoing collaborative efforts and financial support. Encompass is guaranteeing to Starlight Children's Foundation a generous minimum annual donation from the proceeds of sales, and will assist Starlight in placing at least three Fun Center mobile entertainment units in hospitals currently on Starlight's waiting list each year.
